Both tutors were very nice and approachable. They made the course very interesting and fun at the same time"

'The pace was super, the time flew by, best course I have attended in a long time!

I would recommend this course to anyone

High standard of teaching all tutors were easy to talk to and ask for advice

Friendly Approach of staff was the highlight and strength of the course

Tutors were amazing-made the course really fun

Great tutors, friendly, warm, supportive, made the learning fun and enjoyable

'When I first heard about it, I was not sure about it, so when I came everyone was nice and the tutor was very nice and explained everything to us, I am glad that I came
